2. There are now 406 members on the email list. Please make sure you are on it to keep up with club news.

## **NEW BUSINESS**

1. Every couple of weeks the grass should be cut, so this may remain new business throughout the summer...;) We appreciate all those who contribute to the maintenance of the range grounds! Be sure and log your time, and turn in any receipts for reimbursements directly related to work done.

2. A reminder was made that club members are responsible for the activities of their guests. There was a stick with a coke bottle on it left on the range, as well as a milk jug. Upon review of the security cameras, it was discovered that the guest of a member was responsible for these items. We shoot paper only at our range, both inside and outside.
