**OLD BUSINESS**

1. The minutes of the July, 2017 meetings were read and approved.

2. There are now 415 members on the email list. Please make sure you are on it to keep up with club news.

## **NEW BUSINESS**

1. The rock for the parking lot has been delivered and mostly spread.

2. The woodshed will soon be built for the monstrous pile of wood..there was talk of bets being taken whether the planned shed size will be able to hold all the wood...:)

3. An archery area is being developed, and may be done by the next meeting.

4. Members are urged NOT to spray paint distance lines on the new shooting pads outside the lower range.

5. Riley Morris mentioned that he often finds the garbages stuffed with cardboard and used targets. It is the members' responsibility to put their used targets/cardboard in the woodstove and burn them. This is part of leaving the range in better shape than it was when you arrived. Riley does not offer maid service, only maintenance/repairs/range improvements. :)
