2. Next month is the second annual Christmas drawing/giveaway!! Be sure to come join the fun! You can only win if you are there!!
3. Nick Tilbert expressed a desire to have power installed at the upper range for running the surveillance videos. It was discussed, but the board reminded the membership that it has already been decided it was not a good idea, as range hours are dawn to dusk, and it would be too much of a temptation to have power/lights up there after dark. Members might shoot after dark, and the neighbors would not be happy.
