Black Powder Shooters meet on the 2nd Sunday of the month and some Wednesdays at 10:00am--come join us!

It's Pistol League Time!! Get your name/phone number on the sign up sheet hanging on the locker wall, and we will let you know when it starts!! We usually gather on Monday and Thursday evenings.

OLD BUSINESS

1. The minutes of the November, 2017 meetings were read and approved.
2. There are now 457 members on the email list. Please make sure you are on it to keep up with club news.
3. At this point, we need to get the metal roof on top of the woodshed and then we will be filling it with wood. Help with stacking would be appreciated if you have the time.
4. Riley Morris made some heavy duty wheels for the new gate, so we are now waiting for a design/materials for the replacement.

NEW BUSINESS

1. There was a long conversation on the development of a new building to be used for club meetings, hunters safety classes and other events. The current one would then be expanded for the indoor pistol range to 70 feet. Mike Huff then brought up the increase in cost due to insurance, property taxes and other expenses and wondered if it would be worth the added cost for 12 meetings a year plus a few extra gatherings. After more discussion, a motion was made by Jerry Keltner to get bids for a 48x48 and a 36x48 building, just to have some numbers to work with. The motion was seconded by Keith Bowers and approved by the attending members.
2. Chuck Lair urged members to contact their representative and encourage them to support our gun laws and freedoms sure to come under attack since the latest election. New bills are posted on the legislative website and can be read and commented on there.

NEW MEMBERS

A total of 4 prospective members submitted their applications and introduced themselves to the membership. They were voted in as a block.
