OLD BUSINESS

1. The minutes of the December, 2017 meetings were read and approved.

2. There are now 467 members on the email list. Please make sure you are on it to keep up with club news, maintenance closures, special events, etc.
3. The new wheels made by Riley Morris have been installed on the gate. Steve Downing did some final welding/repair on it, so it is good to go! It works so well that replacing it is no longer an issue.
4. Following up on the motion passed in December to get bids for a new building for the monthly meetings, two bids were received. The first, for a pole building was for approximately \$50,000.00 The second, for stick built, was closer to \$100,000.00. There was a hearty agreement that our current building is still quite useable. :)

NEW BUSINESS

1. Dave Tow made a recommendation that we begin a new bank account for the express purpose of range maintenance, grass cutting and other upkeep. An amount of \$10,000 was discussed, but no permanent plans have been made.
2. Riley Morris still has a piece of range equipment that was left several months ago. He is tired of babysitting it, so he suggested that if a piece of equipment was left longer than 90 days, it is to be auctioned off at a meeting and the moneys put in the range account. **Please make sure you take all your shooting items home with you at the end of your range time!**
