OLD BUSINESS

1. The minutes of the September 2019 meeting were read and approved.
2. **NEW MEMBERS**--we send out renewals for memberships via email. **To ensure you receive your renewal, and to receive your new key when the locks are changed in April, be sure to send an email to graysharborgunclub2000@yahoo.com with "New Member" in the subject line.** This email is also where you will receive notifications about range closures and special events.
3. We now have a fridge in the clubhouse stocked with pop and water. Drinks are 50 cents each, and the stock will be replenished with the funds received from them. If members do not pay for their drinks, the fridge will soon be empty. :)

NEW BUSINESS

Article 1—Riley Morris had several topics to discuss;

~We will be starting a trap shooting group as soon as the details have been worked out. There is a signup sheet in the range for your name only. Interested parties should also send an email to graysharborgunclub2000@yahoo.com.

~Members who either damage the range or find damage to the range need to report it to a board member as soon as possible so it can be repaired. If it is reported, it is an accident,

it happens. If it is discovered on the security camera, it is vandalism and will be treated as such.

~The golf cart at the upper range needs to be used in order to keep the battery charged. Please use it, at the upper range only.

~Work in progress at the range; A new ceiling is being installed in the pistol range, along with new lighting.

~We now have wifi at the range. The password is the range phone number, which is listed above the phone in the clubhouse.

~On the whiteboard in the lower range, and in this copy of the minutes is information to access free I-1639 Compliance certificate, <https://sporting-systems.com/free-1639-training/> in order to purchase a semi-automatic rifle.

~Members who are driving down from the upper range; If you notice someone shooting outdoors at the lower range, please touch your horn a couple of times in order to give shooters time to cease fire while you are driving by.

Article 2-Members discussed the preferences for the next gun raffle which will be coming up, and the consensus was a Ruger Mark V .22, for target shooting.

Questions to the Board; Are there any objections to New Business?
