**OLD BUSINESS**

1. The minutes of the May, 2019 meeting were read and approved.

2. New members--we send out renewals for memberships via email. To ensure you receive your renewal, and to receive your new key when the locks are changed in April, be sure to send an email to graysharborgunclub2000@yahoo.com with "New Member" in the subject line. This email is also where you will receive notifications about range closures and special events.

### **NEW BUSINESS**

**Article 1**--The power supply for the range has been updated to 200 amps, been inspected, finished and new fixtures have been installed. There will possibly be power available at the upper range after looking at the cost factor.

**Article 2**--The club also now has a working phone and wifi access available. A password for access may be available at the next meeting. Additionally, the board is looking into the possibility of installing an antenna for the parking lot which will allow wifi to be available at the upper range.

**Article 3**--Roy Pauley mentioned that the golf cart at the upper range needs to be used or at least started regularly to keep the battery from dying.

**Article 4**--Riley stated he has gotten feedback from members who say they have not been receiving the club emails. Make sure you are on the email list by sending an email to graysharborgunclub2000@yahoo.com. If you have been on the

email list in the past, and unsubscribed, you may not be added back without significant effort. Also, make sure you check your spam folder regularly for important emails.

Speaking of important emails, members who have access to the Rayonier lease land should watch for an email letting them know that they will be receiving their hunting decals in the mail soon.

Finally a reminder that family and friends who join you on the lease land need to be written on the lease contract. They may only access the land and hunt with a gun club member.

**Article 5**--Member Kerry Deitch brought in a petition for Initiative 1000, which would restore the ban on affirmative action, which voters approved in 1988, and legislators recently reinstated without voter approval.
