OLD BUSINESS

1. The minutes of the July, 2019 meeting were read and approved.
2. **NEW MEMBERS**--we send out renewals for memberships via email. **To ensure you receive your renewal, and to receive your new key when the locks are changed in April, be sure to send an email to graysharborgunclub2000@yahoo.com with "New Member" in the subject line.** This email is also where you will receive notifications about range closures and special events.
3. Those members looking for a free online training classes for compliance with I-1639, one can be found at <https://sporting-systems.com/free-1639-training/>

There is another option available online at <https://www.rifleclass.com/> that takes approximately 1 hour to complete and the cost is \$20.

NEW BUSINESS

Article 1--Club president Dave Tow's wife recently passed away. There will be a memorial service on Saturday, September 7th at 11:00am and will take place at Fern Hill Cemetery.

Article 2--Take time to notice and try out the shiny new benches in front of the clubhouse! They were constructed and placed by the Boy Scouts.

Article 3--There is no parking on the blacktop in front of the range. This area is for handicap access/unloading only. Also, if members take chairs outside for shooting, please remember to return them so they are not ruined by the weather. Thank you.

Article 4--Another steel gong on the upper range has been destroyed. If you see willful destruction of property please report it to a club board member. If this continues, members will have to supply their own gongs, as long as they are small enough to fit inside the housing.

Article 5--Those members who end their lease contract need to return their gate access keys. They are not disposable like the range keys are. There are now over 100 members who are enjoying the benefits of the lease property. Please remember to lock the gates as you go in and come out of the property. Additionally, please let a member of the board know if you harvested an animal. This lets us know if the contract with Rayonier is worthwhile and will continue.

Article 6--There will soon be a sign-in board for members who utilize the club facilities so we can determine if we need to address crowding concerns. Either Keith or Rich will get right on this. :)
